## ARTS & CRAFTS EXHIBITION SITE PLAN

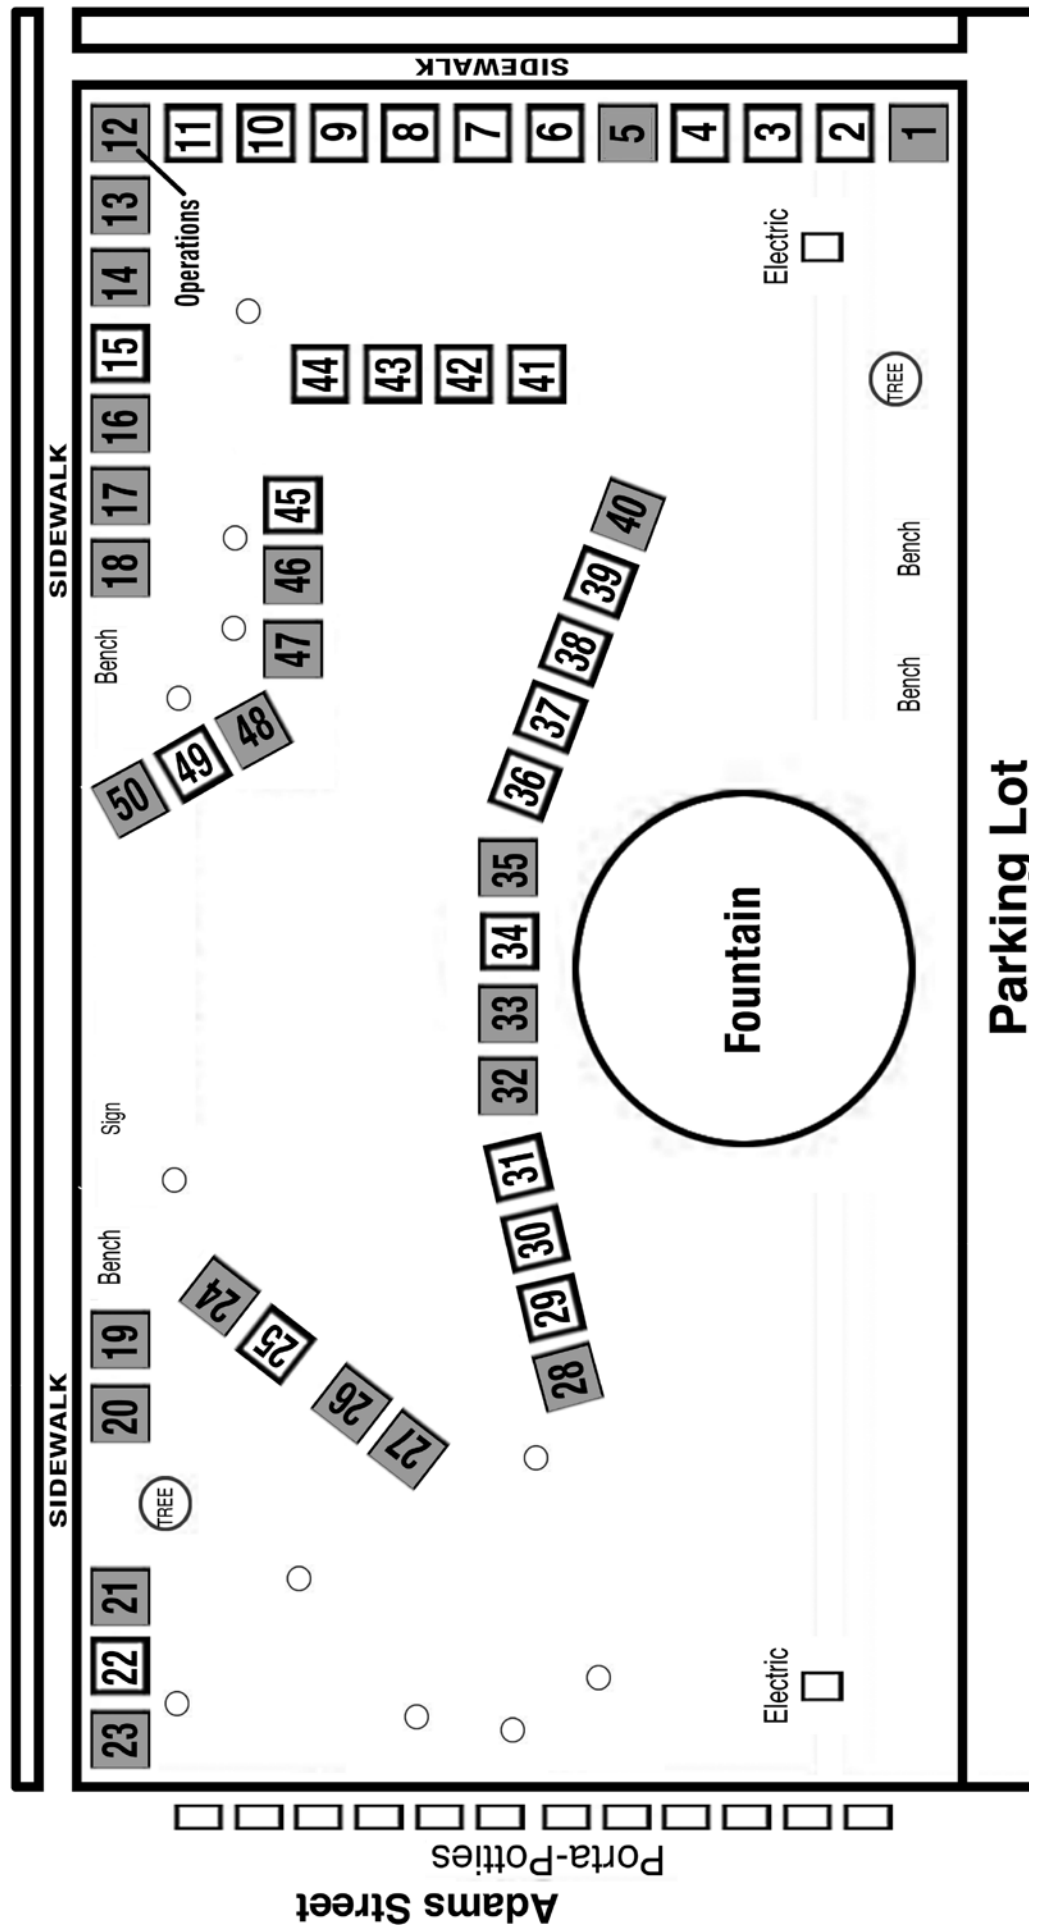

This diagram is an approximate representation of the layout of the Arts and Crafts Exhibition area for the 2010 Pensacola JazzFest.

You may indicate your preferred booth location by circling your #1, #2 and #3 choices.

We have endeavored to provide numerous booths that have display area on the sides of the booth, but that's not available on all booths. The main stage is located on the other side of Zaragoza St. The booths along Zaragoza and Alcaniz Streets face outward onto the sidewalk.

We cannot guarantee that your preferred location will be available. (Grayed out spaces have already been reserved.) Booths are assigned based on the order in which the applications (accompanied by payment) are accepted. We will do our very best to accommodate your preferences. We appreciate your understanding.
